The Opportunity

**The inspiring drive to deliver and achieve results
in the field**

**To protect achieved learning
outcomes**

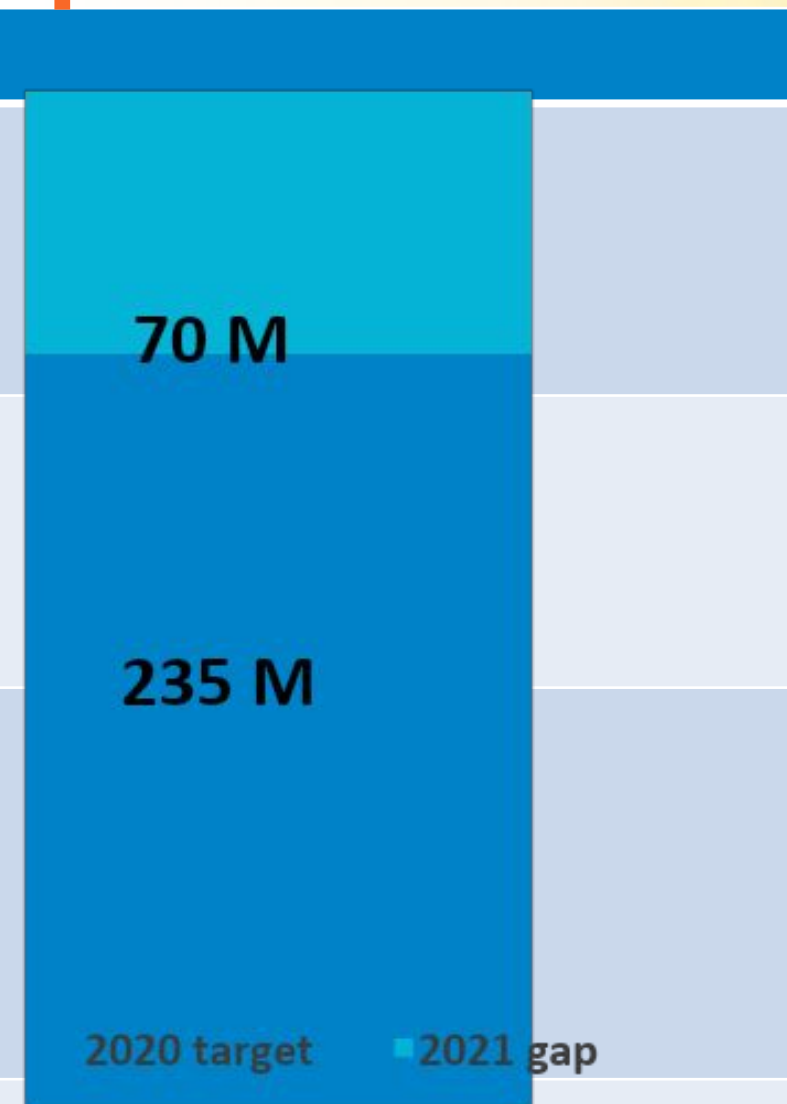

To contribute to recovery

To overcoming the learning challenge

To innovate and rewire education

The Global Trust Fund Gap

- Current gap to reach RM target for the Global Trust Fund **USD 304.3 million** for the ongoing Strategic Plan.
- To raise approximately 75% of this amount in 2020 and early 2021
- That is **USD 235 million**

RM Targets

	Objective	2020-2021 Target
1	Deepen existing partnerships	USD 180 million
2	New institutional donors	USD 70 million
3	private sector partnerships and high net worth individuals/foundations	USD 55 million
	Total	USD 305 million

RM Moments

- 2020 Launch of the ECW 2019 Annual Report
- 2020 UNGA Week (September)
- 2021 G7 meeting
- Other opportunities

RM Preparations

- Initiatives from HLSG and ExCom to reach RM targets at Global Trust Fund and In-Country for 2020-2021
- Opportunities to champion engagement of new institutional donors, Private sector partners, and high net worth individuals/foundations.
- Follow up/bilateral discussions with ExCom members on funding.
- Planned upcoming pledges and timeline for potential pledges.

Thank You
